QUARTERLY SUMMARY OF REPORTS OF SIGNIFICANT SEIZURES OF NARCOTIC DRUGS AND PSYCHOTROPIC SUBSTANCES RECEIVED BY THE SECRETARY-GENERAL, 1 October - 31 December 1992 *

The present summary is based on data provided by States both parties and non-parties to the relevant treaties on the control of narcotic drugs and psychotropic substances. The designations employed and the presentation of material do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area or any authority, or concerning the delimitation of any frontiers or boundaries.

Note by the Secretary-General

1. This summary of reports on illicit transactions and seizures of narcotic drugs and psychotropic substances is based on information on cases of illicit drug traffic communicated by Governments during the period 1 October - 31 December 1992 and forwarded to the Secretary-General in accordance with the provisions of article 18.1(c) of the Single Convention on Narcotic Drugs, 1961, and article 16.3 of the Convention on Psychotropic Substances 1971. Details of reported seizures by region, country or territory and drug during the fourth quarter of 1992 are provided in annex I to the present document. Merchant ships on which drug seizures were made are included in the Summary of National Flags and Owners/Charterers in annex II.

2. The international drug control treaties require States parties to furnish this information in addition to that contained in annual reports on the working of the treaties. Parties to the international drug control treaties undertake to furnish reports on cases of illicit traffic which are important because of the light thrown on the sources from which the drugs are obtained, the quantities involved, the methods employed by illicit traffickers or, in the case of the Convention on Psychotropic Substances, because of new trends. In pursuance of these provisions, the Commission on Narcotic Drugs, in its resolution 4 (XXVIII) of February 1979, urged Governments "to take all possible measures to ensure that the most complete and accurate information is obtained and submitted in a timely manner".

3. The aim of this summary is to set forth in tabular form the material received, so as to help concerned national authorities to identify trends in the illicit traffic and thus determine the

V 93-80444

manner in which countermeasures may most effectively be applied. Developments in the computerization of the material have made it possible to produce this summary in three languages (English, French and Spanish) in an economical format.

4. The table at page 3 of this summary lists the States or territories which submitted reports during the fourth quarter of 1992 containing details of individual seizures from illicit drug traffic. A total of 2492 seizure reports of different drugs or drug types was received during this quarter. Details of small quantities of drugs seized in local traffic and without significant international aspects have been omitted from annex I.

5. Sometimes a seizure involves several drugs. In this case each drug appears in different places under its respective heading, together with a remark indicating the other drugs involved. If it happens to be that the different drugs of one individual seizure appear immediately one after the other in the table, the remark "See above" will indicate this and data on persons implicated and remarks would appear only for the first drug in the corresponding column.

6. The following abbreviations, which appear in this summary, have the meaning indicated:

date = date of seizure expressed by year, month, day of month, that is 92/04/10 is 10 April 1992;
no. = number of seizures;
kg = kilogramme, .500 kg = 500 grammes;
lt = litre, .500 lt = 500 millilitres;
u. = unit, e.g. tablet, doses, ampoules, cannabis plant, etc.

7. The United Nations International Drug Control Programme (UNDCP) would welcome observations on the contents and usefulness of the summary. Comments and suggestions may be addressed to the:
